

Red Shoes and Polka Dots: The CD

Red Shoes and Polka Dots:

Celebrating the State Theatre

Hosted by Garrison Keillor
and Honoring 60 Years of
Ray Sands and the Polka Dots

Own Your Own Piece of History!

The man with red shoes has come and gone from Zumbrota, but the memories will live on forever in this double CD recording of that extraordinary October 11 benefit at the State Theatre.

The music, the laughter, the news from Lake Wobegon (complete with a gathering of Lutheran pastors, a hot air balloon, giant ducks, a stinky dog, and the cremated remains of Aunt Evelyn carried aloft via parasail) are all included.

Relive that day or experience it for the first time. This special recording makes a terrific Christmas gift!

Only \$20.00 for the 2-disc set!
