Upcoming ZAAC Events

What is ZAAC? The Zumbrota Area Arts Council is a non-profit charitable organization that encourages the production, performance and appreciation of the arts. Here in Zumbrota, Minnesota, we consider ourselves incredibly lucky to be surrounded by very talented and creative people. We work to share our area's artistic wealth, believing a vibrant arts organization is critical to a community's health and energy. Great art, music, writing, and theater can happen anywhere - even in small communities like Zumbrota and the surrounding area! Come visit. Get involved. We guarantee you'll be surprised.

Zumbrota Area Arts Council is bringing art to the streets of Zumbrota!

The streets of Zumbrota will once again become a public art gallery for the summer of 2016. Twenty-four banners featuring the work of talented local artists will brighten the city streets. The banners will be displayed on light poles on Main Street in downtown Zumbrota from June through mid-October. All of the original artwork which inspired these banners will be on display at sponsoring businesses, Zumbrota City Hall, and the Zumbrota Public library throughout the summer.

In 2011 ZAAC purchased the historic State Theatre in Zumbrota. Proceeds from the ART on MAIN project will help fund the theatre restoration project. Plans include adding handicapped accessible restrooms and increasing the size of the lobby area.
