Reporter Elliot Longfellow has been sent west to dig up the dirt on the famous showman, "Buffalo Bill" Cody. When Cody's friends Wyatt Earp and Bat Masterson show up and give their twist, Longfellow's reporting skills are put to the test to find the truth or make a new residence on boot hill. Then Pecos Bill arrives to set the record straight, and all hell-arity breaks loose!

Artwork by Pat Swanson

Some of the original artwork for the Art on Main banners will be on display at the City Hall (site 2 location on map) during Art Splash. Come to our closing reception on Friday, September 26th for the gala finale. Bidding on the artwork and the banners continues at www.zaac.org/art-on-main.

This ZAAC activity is made possible by the voters of Minnesota through a grant from the Southeastern Minnesota Arts Council thanks to a legislative appropriation from the arts and cultural heritage fund.
