Experience *the* Events

Art in East Park

A major attraction at Zumbrota's Annual Covered Bridge Festival, Art in East Park is held the third Saturday in June at Zumbrota's East Park. Activities include artist booths, a youth art display area, music and food.

Zumbro River Art Splash

The annual Zumbro River Art Splash, held in September, will help you discover our area's rich art, food, music, literature and history on a self-guided tour of artist studios in the Zumbro River Valley area.

Music in the Park

Bring your lawn chair, and come prepared to relax, enjoy some free ice cream, and be entertained at our weekly, free summer concerts in East Park.

The State Theatre

In 2011 ZAAC purchased the State Theatre, originally built in 1921 as a showcase for moving pictures and vaudeville presentations. The State Theatre is proud to once again host movies, live theater, lectures, and a wide repertoire of musical entertainment. Recent events have included "Forever Plaid," Alfred Hitchcock's "Psycho," Minnesota author Wm. Kent Krueger, a sing-along "Mary Poppins," a Buster Keaton silent picture with live orchestration, and concerts by Lorie Line, Peter Yarrow, Dan Chouinard and Prudence Johnson, Billy McLaughlin, Scotland's Battlefield Band, and wildly popular tribute concerts to Fleetwood Mac and the Eagles. To subscribe to our email list of upcoming events, contact Ronda at statetheatre@zaac.org.

Music. Art. Theater. Literature.

We consider ourselves incredibly lucky to be surrounded by very talented and creative people. Here at the Zumbrota Area Arts Council we work to share that artistic wealth, believing a vibrant arts organization is critical to a community's health and economic vitality. We celebrate the arts by sponsoring art festivals, studio tours, music concerts of every variety, and live theatrical events.

We encourage the pursuit of creative activities by awarding an annual scholarship to a gradu-

ating high school student.

And now, with broad and generous support from the community, we are the proud owners of the historic State Theatre, which will serve as the "art and soul" of Zumbrota for years to come.

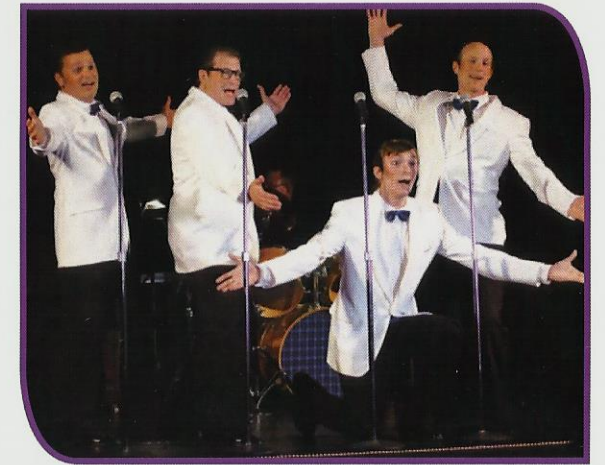

For more information on the Encore Renovation fundraising campaign, visit our website at zaac.org.

We invite you to join us.

Great art, music, writing and theater can happen anywhere--especially here in Zumbrota and the surrounding area. Come visit. Get involved. We guarantee you'll be surprised.
