

ART ON MAIN 2022

“Main Street Zumbrota becomes a Public Art Gallery.”

April 1 Due Date

Zumbrota Area Arts Council (ZAAC) is pleased to announce it will again be sponsoring ART ON MAIN! Banners will hang on the lamp posts in Zumbrota displaying art donated by various area artists of all ages. The banners will be displayed from June through October.

- Each banner will have the artwork on one side and the name of the business sponsor on the other side.
- Your business name will be listed on various promotional materials including social media. The importance of sponsors will be emphasized.
- Approximately 7000 vehicles drive down Main Street in any given day. Your name displayed in a unique manner will give your business advertising and attention for the summer and fall months.
- We plan to reuse random banners as we expand the placement of banners off Main Street within the business sector.
